Kevin Emery called meeting to order at 7:00 pm.

- Sue Roberge nominated Jack Shipley as moderator; John Leach seconded. Motion carried unanimously.
- Warrant was read by Kevin Emery.
- Kevin Emery reported on:
 - Rates have been constant for the past three years. Currently, SBSB has approximately \$500,000 in capital reserves and \$100,000 in sinking funds.
 - Scott and the trustees have presently identified over \$900,000 worth of capital improvements that are needed. Work is being accomplished on a \$300,000 electrical project with \$200,000 due to complete the project.
 - The district is planning on extending the sewer line on Brattle Street and is in the process of working with engineers to get the project started this season.
 - Parts have been ordered and a contractor is scheduled to replace the second portion of the aerators this spring with the cost of approximately \$80,000.
 - The district is currently waiting for a proposal from Wright and Pierce Engineers to develop/ prepare a facility plan/ study which will guide the implementation of the capital improvements. Funding for a significant portion of this engineering work is available through the Maine DEP.

- It appears that we will receive approximately \$125,000 in pandemic funds which is being distributed through the Town Council.
